

151.0 VI-5.10-POLICY ON PRESERVATION OF ITEMS OF
HISTORICAL INTEREST

(Approved by the Board of Regents on January 11, 1990;
amendments approved by the Board October 24, 2014)

Items, which commemorate the history and traditions of the University System of Maryland and its constituent institutions, shall be preserved. Commemorative items include memorabilia, works of art, furniture, instruments, and other artifacts relating to the history of the System or one of its institutions.

To this end, each president and unit head shall take appropriate measures to encourage the identification and preservation of such items, to develop and maintain a systematic continuing inventory of such items, and to provide for their secure and appropriate display.
