 2. Inter-institutional transfer of funds within the USM in implementation of this policy shall not be made.
 3. Eligible employees and retirees shall be permitted to register for courses not to exceed eight (8) credits per semester with remission of tuition. Eligible employees or retirees who are (or were) employed at fifty percent (50%) or more time in the USM shall be permitted tuition remission for credits proportional to their percentage of service.
- B. Tuition remission does not include mandatory fees, which remain the responsibility of the eligible employee or retiree.
- C. Courses taken under this policy shall not interfere with the assigned job responsibilities of any eligible employee and shall require the approval of the President or designee.
- D. An eligible employee may register for the desired course(s) at any institution in the USM. An eligible employee employed by any USM institution who otherwise meets admissibility and registration criteria, shall be granted tuition remission at any USM institution on the same basis as eligible employees who are employed by the host institution.
